PRELIMINARY AMENDMENT

Dear Sir:

Prior to the examination of the above-identified patent application, please amend the application as follows:

In the Claims

Please amend claims 1 and 12 as follows:

- a1 sub 1
1. (Amended) A system for managing promotions over a network comprising:
a promotion server system including a computer processor and associated datastore, said datastore containing data representative of one or more of terms and statistics of one or more item promotions; and
a commercial server system including a computer processor, said commercial server system being selectively coupleable to said promotion server system over said network; wherein said promotion server system includes promotion code for transferring, to said commercial server system, said data representative of the terms and statistics of said promotions.
